

# Why pay more for excellence? Low-cost, Exceptional Outcomes

Choosing Digestive Care Center for your colonoscopy or upper endoscopy is a very wise decision – not only because of our record of exceptional outcomes, but also because procedures performed in our endoscopy center are considerably more cost effective than the same procedures performed in a hospital.

## COLONOSCOPY

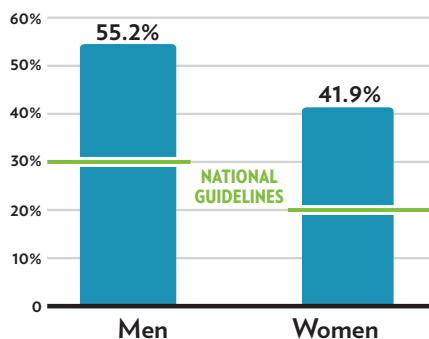

FACILITY	LOCATION	ESTIMATED COST	ESTIMATED OUT-OF-POCKET BASED ON 20% CO-INSURANCE
Digestive Care Center	Evansville, IN	\$1,666.00	\$333.20

\* Please note that these averages do not factor in the cost for anesthesia or pathology services, which vary based on your specific needs. It is important to discuss your options with your gastroenterologist to determine what anesthesia and pathology services are covered in your network. The amounts listed above are averages based on estimated charged provided by a private insurance.
