Preparing for your Rectal Endoscopic Ultrasound:

Please notify us if you are a diabetic or taking any **blood thinning** medications, (examples: Aspirin, Coumadin, Plavix).

You will need to give yourself 2 enemas one hour before leaving home – insert one and hold then give the other and release.

***Please call if you have a latex allergy as soon as possible.**

**** Please note: Some insurances do require outpatient precertification. It is your responsibility to notify us if precert is required for your procedure.**

IF YOU HAVE ANY QUESTIONS PLEASE CALL 477-6103

Thank You
